

## MISSION

Easterseals Redwood's mission is to advance 100% equity, access and inclusion for people with disabilities, people facing disadvantages, and veterans. Easterseals Redwood formed in August 2022 when Easterseals Serving Greater Cincinnati and Redwood merged to become one and provide services that impact the lives of people throughout their lifespan – and the lives of their families and communities.

In 2022, Easterseals Redwood provided individualized therapeutic care, assistance, economic empowerment, and job development supports to **7,578 children and adults**. Individuals beginning new jobs, with support from our programs and services, are set to **collectively earn over ten million dollars** in wages in their first year of employment. Each of our programs and services provide people with opportunities to not only achieve significant milestones but also make strides towards breakthrough moments that create independence, stability, and success.
